## ABOUT US

The Coeur d'Alene Window Company has become the premier manufacturer of sliding patio doors in the Western United States by providing a wide array of configurations, styles and colors. If you need a small patio door off of your kitchen, miniblinds for privacy and comfort or a massive twenty foot long multi-slide door, Coeur d'Alene has the door for you. Choose from our three series, multiple screen styles and hardware offerings.

*\* Actual Colors may vary.  
Do not use the brochure to confirm color  
Please consult actual color chips/samples.*

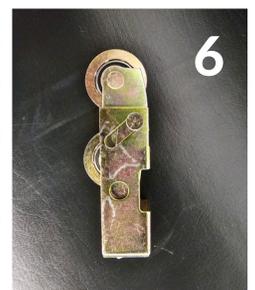

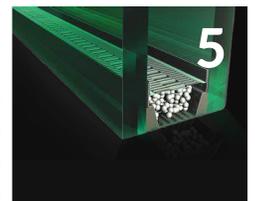

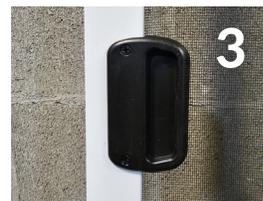

## 3000 SERIES

The Modern Rail Patio Door features maximum viewing area for today's contemporary homes. The sleek looks of the Modern Rail Door minimize the frame allowing you to take in the view

## 5000 SERIES

The Wide Rail Patio Door from Coeur d'Alene features the clean bold lines of a French door without the hassle of operation or the space constraints associated with swinging door products. The door also features foam filled framing

1) Available transom

2) Standard XO

3) Standard roll formed screen

4) Optional extruded screen

5) Cardinal tempered safety glass with a true dual seal

6) Dual rollers

## 6000 SERIES

With the 6000 Series Door from Coeur d'Alene, you can enjoy U-values as low as .20, exceeding Energy Star's definition of a Super Window. In addition, the 6000 Series Door is rated a PG-20 all the way up to a 20' X 10' multi-slide configuration (AAMA / FGIA). The 6000 Series is a door that architects, engineers and homeowners can love.

- 1) Available internal mini-blinds.
- 2) Optional Genius Retractable Zig-zag screen.
- 3) Standard HD Extruded screen frame.

- 4) Heavy duty quad rollers.
- 5) Full metal threshold and roller track.
- 6) Available energy maximizing triple pane glass.

# PATIO DOOR HARDWARE

The Coeur d'Alene Window Company includes dual point locking hardware on all patio doors. Keyed locks are also an option. For an inspiring traditional choice, upgrade to our bronze or nickel finishes.

Patio door plunge lock

Dual or Quad Point Locking System
