UNMATCHED PROTECTION, GUARANTEED

Crafted from 28-gauge, non-combustible steel, ArrowLine is backed by a limited lifetime warranty that includes product and labor costs. Naturally moisture and pest-resistant, ArrowLine is a maintenance-free, lifetime product, backed by a promise that lasts.

ECO-CONSCIOUS DESIGN

Sustainability is built into every ArrowLine panel, made from 100% recyclable steel with up to 80% recycled content. Proudly sourced in America, EDCO combines environmental responsibility with uncompromising quality.

TOUGHER THAN MOTHER NATURE

Designed to endure even the harshest elements, ArrowLine steel roofing boasts a Class 4 impact rating – the highest available – and a Class A fire rating when paired with an approved system. Engineered for ultimate resilience, it stands strong against fire, wind, and severe impact, offering unparalleled protection in any climate.
